

Hills Quarry Products propose to develop a sand and gravel quarry at the old airfield located near Marston Meysey and Down Ampney

Plans with full details of the proposal will be available to view at a public exhibition on

Tuesday 22 September from 2pm-8pm

**at: Kingfisher Room, De Vere Costwold Water Park
Spine Road East, South Cerney GL7 5FP**

Due to the current COVID-19 restrictions, those who wish to attend the public exhibition will need to **pre-book free tickets** (from 16 September) at this website:

www.airfieldquarry.co.uk

Those attending will need to comply with Government guidance including wearing a face covering and adhering to social distancing guidelines

For those who are unable to attend the public exhibition, the website above will contain details of the proposal, answers to frequently asked questions, copies of plans and drawings and a contact form for comments.
