

H & S Report – 20 August 2020

The **playground** and **MUGA** are open with appropriate Covid-19 guidance signage.

Again, two slats on the large multi-play have been loosened.

I put 'do not use' signs on the equipment for about 1 week until Paul Vince repaired them.

Paul Vince has been asked to quote for minor repairs (gate, picnic tables/seating).

It is likely that the gaps around the playground surface will need to be infilled with sand soon.

Cllr Higson
